Section 137.073.6, RSMo, requires the State Auditor to examine such information and return to the county clerk our findings regarding the property tax rate ceilings and the debt service levy, if applicable. The State Auditor's Office has relied on information presented and representations made by the taxing authority for our review of the tax rate ceiling(s) and actual property tax rate(s) levied. Our findings are based upon existing constitutional provisions, statutes, rulings, and court decisions.
